This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
28. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
29. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
30. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at : www.sanmitinfratd.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and www.evotingindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
31. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with SEBI Circular No. SEBI/HO/CFD/CMD2/ CIR/P/2021/11 dated January 15, 2021, SEBI Circular No. SEBI/HO/CFD/ CMD2/CIR/P/2022/62 dated May 13, 2022, SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023 and SEBI Circular No. SEBI/HO/CFD/CFD PoD-2/P/CIR/2023/167 dated October 7, 2023 (together "SEBI Circulars") respectively .

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The Remote E-voting period begins on Monday, 22ND September 2025 at 09.00 A.M. (IST) and end on Wednesday, 24TH September 2025 at 05.00 P.M. (IST) During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, 18TH September 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS

Presently, the company is mainly into reality development. Due to slowdown in the market condition and price rise it was very difficult for the company to go in a big way in the new business arena.

There are several factors which may affect our results of operations, financial condition and cash flows. These factors may include:

- Economic conditions, business cycles
- Ability to control cost and attain high productivity
- Pricing Pressure due to competition / competitive bidding.
- Human Resource Management
- Our relationship with clients - companies, banks, institutions, individuals, etc.
- Capital expansion and capital expenditure
- Industry Structure and Development
- Key Strategic Highlights
- Risk and Concerns
- Internal Control Systems and Adequacy
- Outlook Opportunities and Threats
- Cautionary Statement

We have briefly elaborated the above factors below:

ECONOMIC CONDITIONS, BUSINESS CYCLES:

The business of any company apart from internal factors will also depend on the macro economic conditions. The demand conditions in the market in the areas in which we operate are affected by various factors outside our control, including prevailing local economic, income and demographic conditions, interest rates available to purchasers requiring financing, the availability of comparable properties completed or under development, changes in governmental policies. As a consequence, our results of operations are significantly affected by factors influencing the Indian economy in general. Any slowdown or perceived slowdown in the Indian economy, government spending in specific sectors of the Indian economy, could adversely impact our business and financial performance. For example, our management believes that other infrastructure projects contribute substantial part of our client list and any events affecting these sectors will have direct impact on demand for our products. If growth is sustained in these sectors, our management believes that such growth may bring in additional demand for our business module.

The Company considering the slowdown in the reality sector and considering the experiences of the promoters started trading business of Petroleum product. The turn over is mainly from the trading activities of the petroleum products. The company also started venturing into the waste management activities of medical bi-products.

ABILITY TO CONTROL COST AND ATTAIN HIGH PRODUCTIVITY:

The prices of our services are determined principally by market forces of supply and demand. The market conditions and demand for our services at time of signing the contract will determine the price of our services. Diesel and man power (Skilled and unskilled) form major portion of our cost our ability to executing the contracts at timely basis, maintaining the cost competitiveness will determine the profitability of our Company.

PRICING PRESSURE DUE TO COMPETITION/COMPETITIVE BIDDING:

The prices of our services, real estate are determined principally by market forces of supply and demand. We feel that over a period of time there might be increase in competition and it might affect the profitability of our Company. Our Company has been concentrating on receiving the orders from the Government Registered Companies. These Companies generally follow the system of tenders, wherein the contracts will be granted to lowest bidder. This may affect the profit margins of our Company in percentage terms.

CAPITAL EXPANSION AND CAPITAL EXPENDITURES:

Capital Expansion involves huge capital expenditure and determines future earnings of our company. The timing of our expansion program, projects we have taken up, general economic conditions-all these factors will determine future growth of our Company.

OUR RELATIONSHIP WITH CLIENTS-COMPANIES, BANKS, FINANCIAL INSTITUTIONS, INDIVIDUALS ETC:

The operations and revenues of our company for any period will depend on orders in hand. Our ability to get new and also repeated orders will determine the growth of our company. As in any business our ability to maintain good relations with market intermediaries like banks and financial institutions will determine our growth.

HUMAN RESOURCE MANAGEMENT:

Human capital is pivotal for the growth and success of the organization. Our Company strives to foster a safe, congenial, and inclusive work environment and promotes trust, transparency, and a sense of teamwork through comprehensive and well-documented HR policies.

The key areas for driving Human Resource initiatives at Company are as follows:

The Company ensures strict adherence to its internal codes and has clearly defined zero-tolerance policy towards discrimination of any kind. The Company's structured talent management framework leads to cohesive talent actions across all levels, and ably supports the process of talent acquisition, onboarding, learning and development, performance management and succession planning. Periodic, regular performance conversations and real-time feedback form the backbone of the performance management process. Personnel capability building sessions are conducted regularly across levels, engaging talent across the board - right from trainees to senior leadership.

The Company's culture is centered on the four core pillars, which are as:

- 1. Engaging with Compassion**
- 2. Transparency**
- 3. Respect**
- 4. Ethics**

The company acknowledges the efforts of its people and takes great pride in the dedication, sincerity and hard work of its workforce. We take up various projects based on availability of right mix of man power. Thus our growth is likely to be affected by our ability to attract and retain skill and technical manpower. Our Ability to hire, train and retain people will determine the ability of our company to achieve desired objectives.

These factors and a number of future developments may have impact on our results of operations, financial condition and cash flow in future periods.

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Indian economy has been growing at a blistering pace in the last few years. The Real Estate Industry is ranked as one of the fastest growing sectors. This sector has been growing at an exponential rate a growth made possible due to favorable demographics, vibrant services sectors, rising purchasing power, changes in shopping habits, growing number of retail malls, availability of finance and reforms initiated by the Government viz., relaxation of FDI norms and tax concessional facilities. This has stimulated the demand for houses, modern offices, warehouses, hotels and shopping Centre.

KEY STRATEGIC HIGHLIGHTS:

- Growth in the Market
- New opportunities through collaboration/Marketing Arrangements
- New products, business models, etc.
- Margin enhancement
- Innovation and sustainability
- Investment opportunities

As a Company, Sanmit Infra Limited is optimistic about the future as well as its growth path. The Company is confident in its ability to grow its business organically enhancing the production by adopting new technologies.

The Company constantly looks at margin improvement and risk mitigation initiatives through specific projects and global support.

RISK AND CONCERNS:

Risk is an integral and unavoidable component of all businesses. Sanmit Infra Limited is committed to manage its risk in a proactive manner. Though risks cannot be completely eliminated, an effective risk management plan ensures that risks are reduced, avoided, retained or shared.

The Company faces various risks which are incidental to the Company's operations in the various segment lines, like new competitor setting up business or expanding of the existing players owing to the market available. The Company functions in a dynamic business environment and its operations may be exposed to varied risks. To mitigate its impact, we have a comprehensive risk management framework in place that covers identification, assessment, development of mitigation strategy, action plan implementation, monitoring, reporting to and updating the Board and Audit Committee.

The Board of Directors, Audit Committee is in charge of keeping an eye on Risks and evaluating the effectiveness of risk management strategy or process. The Company has very well versed internal financial control structure. These controls were assessed throughout the year under review and no material weaknesses were observed in their design or operations. The Company has adequate internal control procedure commensurate with its size and nature of the business. The internal control system is supplemented by extensive internal audits, regular reviews by management and well-documented policies and guidelines to ensure reliability of financial and all other records to prepare financial statements. The Company continuously upgrades these systems in line with best accounting practices.

INTERNAL CONTROL SYSTEM AND ADEQUACY:

Your Company has a robust and reliable system of internal controls commensurate with the nature of our business, and the scale and complexity of our operations. The Company has adopted policies and procedures covering all financial, operating and compliance functions. These controls have been designed to provide a reasonable assurance over:

1. Timely preparation of Reliable Financial Information
2. Accuracy and completeness of the accounting records
3. Compliance with applicable Laws and Regulations
4. Safeguarding of Assets from unauthorized use or loss
5. Prevention and Detection of Frauds and Errors
6. Effectiveness and efficiency of operations

The current system of Internal Financial Controls (IFC) is aligned with the requirement of the Companies Act 2013. The Company has an Internal Audit function which functionally reports to the Chairperson of the Audit Committee, thereby maintaining its objectivity. The Internal Audit function is supported by a dedicated internal audit team and resources from external audit firms. The annual internal audit plan is carved out from a comprehensively defined Audit Universe that encompasses all businesses, functions, risks, compliance requirements and maturity of controls.

The Audit Committee of the Board is presented with key control issues and the actions taken on issues highlighted. The Audit Committee deliberates with the management, considers the systems as laid down and meets the internal auditors and statutory auditor to ascertain their views on the internal control framework. The Company recognizes the fact that any internal control framework would have some inherent limitations and hence has inculcated a process of periodic audits and reviews to ensure that such systems and controls are updated at regular intervals.

OUTLOOK, OPPORTUNITIES AND THREATS:

The Indian economy is getting bigger and better. Going with the estimates that Asia's third largest economy will become the world's third largest by 2050; a need for more robust and vast infrastructure is inevitable. Indian real estate sector faces several threats, risks and concerns. The rising interest rates and scanty land availability in India, and the subsequent global turmoil are creating pressure on the Indian real estate sector.

CAUTIONARY STATEMENT:

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to your Company's Operations. These include climatic and economic conditions affecting demand and supply, government regulations, taxation, and natural calamities over which the Company does not have any direct control.

SUSTAINABILITY REPORT

FY-2024-25

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT**FY 2024-25****About The Company**

Established in 2000, Sanmit Infra Ltd. is a dynamic and diversified company engaged in multiple critical sectors, including petroleum product supply, bio-medical waste recycling, infrastructure and real estate development, and most recently, bitumen emulsion and road construction materials.

Driven by a mission where passion and innovation are at the core, the Company has consistently evolved to meet the needs of modern infrastructure, environmental sustainability, and energy demands.

Sanmit Infra is committed to responsible business practices, combining operational excellence with long-term value creation. The Company's petroleum and biomedical waste businesses serve critical industrial and public health functions. The new bitumen and bituminous by-products manufacturing segment contributes significantly to road infrastructure development across India

In alignment with its commitment to transparency and ethical growth, Sanmit Infra Ltd. presents its Business Responsibility and Sustainability Report (BRSR), pursuant to Regulation 34(2)(f) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Overall, the Company's adherence to the BRSR framework reflects its steadfast dedication to operating as a socially responsible, inclusive, and transparent organization, contributing to sustainable development within the parameters of BRSR.

In this report, the terms 'Sanmit', 'Sanmit Infra', 'We', 'Company', and 'Our' refer to Sanmit Infra Ltd.

Note: The numbers are rationalised in this year's report, wherever required.

26. Overview of the entity's material responsible business conduct issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format¹

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Waste and Hazardous Material Management	Risk	Handling and disposal of waste from operations can present significant environmental and health risks if not managed responsibly. Hazardous Waste has the potential to contaminate land and water sources, posing long-term threats to both ecosystems and communities. The Company recognizes that improper storage or disposal practices could also increase regulatory exposure, lead to costly remediation, and damage its reputation.	Sanmit Infra has developed systems to ensure that waste is managed in compliance with regulatory frameworks and in an environmentally responsible manner. To further minimize environmental impact, bitumen is procured in drums, transported to the Rasayani plant, melted, and stored in vertical tanks. The used drums are then responsibly collected, reconditioned, and resold by an authorized vendor, ensuring that recycling and reuse form an integral	Negative *There was no negative financial impact for the reporting year 2024-25

¹ Material issues identified are referred from the Sustainability Accounting Standards Board (SASB) 2023-24 version. SASB Standards are maintained and enhanced by the International Sustainability Standards Board (ISSB). This follows the SASB's merger with the International Integrated Reporting Council (IIRC) into the Value Reporting Foundation (VRF) and subsequent consolidation into the IFRS® Foundation in 2022. The latest standards have been accessed at <https://sasb.ifrs.org/> on 25th August, 2025 at 11:10 IST.

				part of the waste management process.	
2.	Workplace Health and Safety	Risk	Due to the inherent risks associated with large-scale operations, workplace safety remains a key area of concern. Accidents can result from heavy machinery, and site hazards, leading to injuries or even fatalities. Inadequate safety practices could also result in penalties, increased compliance costs, and reduced productivity, while undermining employee confidence and morale.	The Company follows a structured approach to workplace safety, certified under ISO 45001:2018 for Occupational Health and Safety Management Systems. Comprehensive safety protocols are in place, supported by regular training sessions and periodic risk assessments. The focus is not limited to compliance but extends to cultivating a culture of awareness and accountability across all levels of the workforce. Continuous identification of hazards and preventive measures ensures operational resilience and a safer environment for employees.	Negative *There was no negative financial impact for the reporting year 2024-25
3.	Labour Practices	Risk	Maintaining stable labour relations is essential to uninterrupted operations. Conflicts over wages, working conditions, or lack of grievance redressal can result in strikes, work stoppages, or reputational setbacks. Operating in regions where labour protections may not always be adequate heightens the importance of fair practices and effective communication with employees.	Sanmit Infra prioritizes fair labour practices by complying with all applicable labour laws and establishing transparent communication channels. Employees can directly raise concerns through designated emails or approach senior management and Directors. A dedicated Whistle-blower Policy provides a confidential mechanism for reporting grievances or misconduct directly to the Audit Committee, ensuring swift investigation and resolution. Furthermore, the Company's facilities have been designed to	Negative *There was no negative financial impact for the reporting year 2024-25

				accommodate employees with disabilities through features like ramps and lifts, reflecting a commitment to inclusivity even in the absence of differently-abled employees at present.	
4.	Energy Management	Risk	Energy costs form a significant part of operational expenses, and reliance on conventional power sources contributes to greenhouse gas emissions. By shifting towards renewable energy, the Company can enhance energy security, reduce costs, and align with global sustainability expectations.	Sanmit Infra has taken steps to integrate clean energy into its operations, with a project underway to install a 130 kW rooftop solar PV plant for captive use, tentatively by the end of 2025. This move will not only lower emissions but also provide long-term cost benefits and strengthen resilience against fluctuations in conventional power supply.	Negative *There was no negative financial impact for the reporting year 2024-25
5.	Community Engagement and CSR	Opportunity	Strong community relations play a pivotal role in sustaining trust and creating long-term social impact. The Company views community well-being as integral to its growth and actively contributes to social development initiatives. Through the Anvi Medical and Educational Foundation, Sanmit Infra supports health and education programs, focusing on human health activities that directly benefit local communities. PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:⁸

Parameter	FY 2024-25 (In Gigajoules)	FY 2023-24 (In Gigajoules)
From renewable sources		
Total electricity consumption (A)	0.00	0.00
Total fuel consumption (B)	0.00	0.00
Energy consumption through other sources (C)	0.00	0.00
Total Energy consumption from renewable sources (A+B+C)	0.00	0.00
From non-renewable sources

Total fuel consumption (E) **	11534.51	8052.44
Energy consumption through other sources (F)	0.00	0.00
Total Energy consumption from non-renewable sources (D+E+F)	12110.78	8262.48
Total energy consumed (A+B+C+D+E+F)	12110.78	8262.48
Energy intensity per rupee of turnover (Total energy consumption/ Revenue from Operations) -GJ/Rs	0.0000085	0.0000088
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity	0.00018	0.00020

⁸ The above calculations are in accordance with Part B, Attribute 3 of the Industry Standards Note (December 2024) on the Business Responsibility and Sustainability Report (BRSR) Core, jointly issued by ASSOCHAM, CII, and FICCI, pursuant to Regulation 34(2) of the SEBI (LODR) Regulations, 2015, and as per SEBI Circular No. SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122.

(PPP)⁹ (Total energy consumed / Revenue from operations adjusted for PPP) -GJ/USD		
Energy intensity in terms of physical output¹⁰ - GJ/Metric tonne	2.14	3.44
Energy intensity (optional) – GJ/Workforce	242.22	155.90

*For purchased electricity, data from the Corporate Office (CO) has not been included since it is a leased property and electricity bills are not available. Accordingly, only the Plant's electricity consumption has been considered for FY 2023–24 and FY 2024–25. It may be noted that the Plant was operational for only 6-7 months during FY 2023–24, while it was fully functional in FY 2024–25, which explains the increase in electricity consumption.

** For FY 2024–25, diesel consumption from DG sets, forklifts, and fire pumps has been accounted for, in addition to two newly added company-owned vehicles (excluding forklifts and fire pumps). By contrast, in FY 2023–24, only furnace oil and a limited number of company-owned vehicles were considered. This expansion in scope and operational additions has resulted in an overall increase in total fuel consumption.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N): No

- 2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any**

Not Applicable as the Company does not come under PAT Scheme.

- 3. Provide details of the following disclosures related to water, in the following format:¹¹**

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company procures bitumen in drums from the importer and transports it from the port to the Rasayani plant. At the plant, the bitumen is melted using a decanting machine and subsequently stored in vertical tanks. Once the melting process is complete, the empty drums are placed in a designated open area outside the plant premises. These drums are then collected by our authorized vendor, M/s Global Trading Company, who reconditions them and sells them to their customers.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Types of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
The Company does not have any operations in ecologically sensitive regions.			

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
-----------------------------------	----------------------	------	---	--	-------------------

The Company did not conduct any environmental impact assessment (EIA) for any of its projects in the current reporting period.

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, and Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Serial Number	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective taken, if any action
There were no material non-compliances reported by the Company in Financial Year 2024-25.				

Leadership Indicators

- 1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres): NA**
For each facility / plant located in areas of water stress, provide the following information:
- (i) Name of the area-
 - (ii) Nature of operations-
 - (iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source (in kilolitres)		
(i) Surface water	Not Applicable, as the Company does not have any operations in areas of water stress.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 3 emissions* (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	1.19	1.05
Total Scope 3 emissions per rupee of turnover	Metric tonnes of CO ₂ equivalent/ Rupees	0.00000000083	0.00000000111
Total Scope 3 emissions per Workforce	Metric tonnes of CO ₂ equivalent/ Workforce	0.024	0.020

* Scope 3 emissions for both FY 23-24 and FY 24-25, has been calculated based on the Waste generation, disposal and reclamation data.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not Applicable

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
	The Company has not yet implemented specific initiatives or innovative technologies targeted at enhancing resource efficiency or reducing the impact of emissions, effluent discharge, or waste generation.		

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

The Company currently does not have a business continuity and disaster management plan in place.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?

Not applicable, as the value chain partners are not being assessed.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

Nil

8. How many Green Credits have been generated or procured:²¹

- a. By the listed entity - Nil
- b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners - Nil

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

OUR APPROACH TO SUSTAINABLE DEVELOPMENT

Small Steps, Lasting Impact

Sanmit Infra is committed to driving sustainable development by integrating social, environmental, and governance priorities into its operations. The company emphasizes health, education, workplace safety, responsible production, and strong institutional practices, ensuring that its initiatives create lasting positive impact for employees, local communities, and the broader environment. Through targeted programs, innovative processes, and adherence to international standards, Sanmit Infra aligns its business activities with the Sustainable Development Goals, fostering inclusive growth and long-term resilience.

SDG 3: Good Health and Well-Being

3 GOOD HEALTH
AND WELL-BEING

Sanmit Infra considers health and well-being vital for thriving communities. Through the Anvi Medical and Educational Foundation, the company supported programs that directly improved access to healthcare and preventive interventions for local populations, ensuring that vulnerable groups received essential services to enhance their quality of life.

SDG 9: Industry, Innovation, and Infrastructure

Sanmit Infra emphasizes innovation and industrial excellence in its operations. Adherence to ISO 9001 and ISO/IEC 17025 standards reflects the company's dedication to high-quality manufacturing and technical competence. These practices not only ensure reliable outputs but also strengthen sustainable industrial growth and foster confidence among clients and stakeholders.

SDG 12: Responsible Consumption and Production

Sustainability is embedded in Sanmit Infra's operations, especially in managing bitumen drums. Drums are melted, stored in vertical tanks, and responsibly collected, reconditioned, and resold, creating a circular approach to waste. This focus on recycling and reuse reduces environmental impact while demonstrating a commitment to responsible production and sustainable resource management.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
SANMIT INFRA LIMITED**

Report on the Audit of Financial Statements

OPINION

We have audited the accompanying Ind AS financial statements of **SANMIT INFRA LIMITED** ("hereinafter referred to as the Company") which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provision of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matters	Auditor's Response
1	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115	We assessed the Company's process to identify the impact of adoption of the revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: (i) Verification of purchase order w.r.t. quantity, rate etc. on test check basis. (ii) Delivery of the material, Collection w.r.t. the bill etc. on test check basis.
2	Valuation of the Inventory in view of adoption of Ind AS 2 "Inventories"	We assessed the Company's process to identify the impact of adoption of the inventory accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: (i) Verifying the records available with the company for movement of stocks. (ii) Obtaining valuation certificate from the company. (iii) Regarding the valuation of closing stock we have relied on the valuation of the Management and the physical verification report of the management.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, statement of changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e. On the basis of written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**" to this report.
- g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has no pending litigations and consequently has no impact on its financial position in its financial statements as per the certificate submitted by the company.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under and (b) above, contain any material misstatement.
- v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable except the dividend of Rs 54,040 is pending and transferred to a separate bank account.

(b) The Board of Directors of the Company have not proposed any final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. The company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

section of our report to the Members of Sanmit Infra Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SANMIT INFRA LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Sanmit Infra Limited of even date).

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of Company's Property, Plant and Equipment and Intangible Assets :
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The company has a regular program of physical verification of its Property, Plant and Equipment (PPE) by which PPEs are verified in a phased manner. In accordance with this program certain PPEs were physically verified by the Management during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regards to the size of company and the nature of its assets.
 - (c) The company does not have any immovable properties disclosed in the financial statement hence reporting under clause 3(i)(c) of the order is not applicable.
 - (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - (e) According to information and explanations given to us, the Company doesn't hold any benami property and therefore there are no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made there under.
- ii. (a)As explained to us, the inventories were physically verified during the year by the management. In our opinion and according to the information and explanations given to us, the inventories have been verified by the management at reasonable intervals in relation to size of the company and we have relied on the valuation of inventory.

(b)The Company has been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks on the basis of security of current assets. The quarterly returns or statements filed by the company for the above facility are in agreement with the books of account of the company except for the statements filed for quarters during the year ended 31st March 2025, where difference were noted between the amounts as per books of account for respective quarter and amount as reported in the quarterly statements. The differences were in case of debtors amounting to Rs. 14.45 lakhs (amount reported Rs. 3382.56 lakhs vs amount as per books of accounts Rs.3368.11 lakhs), Rs. 12.27 lakhs (amount reported Rs. 3107.03 lakhs vs amount as per books of accounts Rs. 3094.76 lakhs), Rs. 0.02 lakhs (amount reported Rs.3129.99 lakhs vs amount as per books of accounts Rs. 3129.97 lakhs), Rs. 4.11 lakhs (amount reported Rs. 3192.81 lakhs vs amount as per books of accounts Rs. 3188.70 lakhs) for the quarter ended 30th June, 2024, 30th September, 2024, 31st December 2024 and 31st March 2025 respectively. Further the difference in case of inventory were amounting to Rs. 0.31 lakhs (amount reported Rs. 665.73 lakhs vs amount as per books of accounts Rs. 665.42 lakhs) Rs. -4.87 lakhs (amount reported Rs. 1493.02 lakhs vs amount as per books of accounts Rs. 1497.89 lakhs) for the quarter ended 31st December 2024, 31st March 2025 respectively. The company has reconciled the differences and identified the reasons for differences.

- iii. According to information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties, hence reporting under the clause 3(iii)(a), (b), (c), (d), (e) and (f) of the Order is not applicable.
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees and securities to which provisions of Section 185 or 186 of the Act are applicable and hence reporting under clause 3(iv) of the order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable
- vi. We have broadly reviewed the cost records maintained by the Company including the records prescribed by the Central Government under Section 148(1) of the Act, for the products of the Company and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. According to information and explanations given to us, in our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales-Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales-Tax, Service Tax, Duty of Customs, Duty

of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authorities.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, hence the clause 3 (ix) (f) of the Order is not applicable to the Company.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private Placement of shares and Convertible Debenture during the year hence reporting under the Clause 3 (x)(b) of the order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As explained to us the company has not received any whistle blower complaints during the year (and upto the date of this report). Management representation with regards to the same was obtained from the company. However the procedure followed by the company in this regard is not adequate and needs improvement.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3 (xii) (a), (b) and (c) of the Order is not applicable to the Company.

- xiii. Based on our examination of books of accounts and as per information and explanations given to us, all transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable and the details have been disclosed in the Financial Statements as required by the applicable accounting standards
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge on the functioning of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due
- xx. In respect to Corporate Social Responsibility:
- a. According to the information and explanations given to us, there has been no unspent amount in respect of other than ongoing projects during the year and
- b. According to the information and explanations given to us, there has been no unspent amount in respect of ongoing projects during the year.

- xxi. The reporting under clause 3(xxi) is not applicable to the Company, as the Company neither have its subsidiary Company nor it is a subsidiary of other Company.

Notes:

The Company's operations are principally based in India only. Hence secondary segment reporting for geographic segment is not applicable. The Company is currently focused on five business groups: Infrastructure/Realty, Petroleum and related products, Biomedical Waste recycling Machinery and other equipments (previously categorised as trading segment), Bitumen Emulsion and other road construction related materials and Microsurfacing and repairs of roads and related services. However there is no revenue generated from the infrastructure/ realty segment and Microsurfacing and repairs of roads and related services segment during the period reported. Further, the company has identified a new segment - "Microsurfacing and repairs of roads and related services" with effect from this year.

The Company's organisational structure and governance processes are designed to support effective management of multiple businesses while retaining focus on each one of them.

Note 32 B - Fair value hierarchy for assets and liabilities

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

i) Level 1

Quoted (unadjusted) prices in active markets for identical assets or liabilities.

ii) Level 2

Other techniques for which all inputs which have a significant effect on the recorded fair values are observable, either directly or indirectly.

iii) Level 3

Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial instruments measure at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Financial Statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled

Note 33 Corporate Social Responsibility

Basis of preparation and significant accounting policies:

1.1 Basis of preparation:

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 Significant accounting, judgments, estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

1.3 Summary of Significant accounting policies

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle held primarily for the purpose of trading
- Expected to be realized in normal operating cycle or within twelve months after the reporting period or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle or due to be settled within twelve months after the reporting period
- It is held primarily for the purpose of trading
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period of twelve months as its operating cycle.

b) Revenue recognition

Revenue is recognized upon transfer of control of promised goods to customers in an amount that reflects the consideration we expect to receive in exchange of product or services. Revenue is measured

at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue is recognised only if following condition are satisfied:

- The performance obligations have been met;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- It is probable that the economic benefit associated with the transaction will flow to the Company; and
- it can be reliably measured and it is reasonable to expect ultimate collection.

c) Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

d) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Cost directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by the management. Depreciation has been provided on written down value method in accordance with section 198 of the Companies Act, 2013 at the rates specified in schedule II to the Companies Act, 2013, on *pro-rata* basis with reference to the period of use of such assets.

Capital WIP

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress.

e) Amortisation of intangible assets

Intangible Assets as defined in Accounting Standard 26-“Intangible Assets” are valued at cost and amortised as per its useful life and value in use.

f) Finance cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss in the period in which they are incurred

g) Inventories

Inventories of petroleum products and machinery are measured at lower of cost and net realizable value on FIFO basis after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase and other cost incurred in bringing them to their respective present location and condition.

h) Lease

The Company assesses whether a contract is or contains a lease, at inception of a contract. The assessment involves the exercise of judgement about whether (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of the lease, and (iii) the Company has the right to direct the use of the asset. The Company recognises a right-of-use asset (“ROU”) and a corresponding lease liability at the lease

commencement date. The ROU asset is initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred. They are subsequently measured at cost less accumulated depreciation and impairment losses. The ROU asset is depreciated using the straightline method from the commencement date to the earlier of, the end of the useful life of the ROU asset or the end of the lease term. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company uses an incremental borrowing rate specific to the Company, term and currency of the contract. Generally, the Company uses its incremental borrowing rate as the discount rate.

The Company has elected not to recognize ROU assets and lease liabilities for short term leases as well as low value assets and recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

i) Income taxes

Income tax expense comprises of current and deferred tax.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961.

Current income tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases, used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

j) Provisions, Contingent liabilities, Contingent assets and Commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

A contingent asset is disclosed, where an inflow of economic benefits is probable.

k) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

l) Foreign currency translation

Initial Recognition

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date

Foreign currency monetary items of the Company are translated at the closing exchange rates. Nonmonetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss

m) Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three broad categories:

- Financial assets at amortized cost
- Financial assets at fair value through OCI (FVTOCI)
- Financial assets at fair value through profit and loss (FVTPL)

Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest on the principal amount outstanding

Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at fair value through profit and loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL). Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

ii. Financial liabilities

Initial recognition and measurement

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. The Company's financial liabilities include trade payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings and other payables are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

n) Employee Benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment benefits**Defined Contribution Schemes**

All the employees of the Company are entitled to receive benefits under the provident Fund and employees State Insurance scheme, defined contribution plans in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined Benefit Schemes

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized directly in the other comprehensive income in the period in which they occur. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Remeasurements are not reclassified to the statement of profit and loss in the subsequent periods.

o) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period adjusted for bonus elements and share split in equity shares, if any, issued during the year.
